The Whangarei District Council has decided to change the voting system to introduce race based seats, without consulting the community. This is wrong. Changes of this magnitude should be decided by a referendum of voters. If 5% or more of registered voters sign this petition, the Council will be required to hold a referendum to let the community decide whether or not race based seats should be introduced.

Pursuant to Section 19ZB of the Local Electoral Act 2001, we the undersigned electors of the Whangarei District Council demand that the Council conduct a poll on whether the Whangarei District Council be divided into one or more Māori wards for the next two triennial elections, commencing 2022.
